

**MATOC Solicitation Number 05-0002-04
Amendment 0001**

**Business and Finance Support Services for the Department of Defense (DoD)
Advisory Group on Electron Devices (AGED) and Reliance Technology Panel on
Electron Devices (TPED) for the Office of Naval Research (Code 312)**

The purpose of Amendment 0001 of MATOC Solicitation Number 05-0002-04 is to revise the weighting of the evaluation criteria and extend the proposal due date, as follows:

The proposal due date mentioned in the first paragraph of the solicitation and in Section 5.3 is revised as follows:

"5.3 Proposal Submission: The due date for receipt of proposals for this solicitation is 2:00 PM (local time) on Tuesday, 11 January 2005. Proposals can be:

(a) Sent by regular mail or hand delivered. **NO EMAIL OR FAX PROPOSALS WILL BE ACCEPTED.** Provide for the original and two copies to arrive by the above deadline at the following address:

Office of Naval Research
Attention: Lynn Christian, Room 720
800 North Quincy Street, Code 0251
Arlington, VA 22217-5660
Ref: 05-0002-04"

Under Section 6.1 (Evaluation Criteria), the second to the last paragraph, which describes the weighting of the evaluation factors are revised as follows:

"In regards to the stated technical factors, Factor 1 is of the greatest weight. Factors 2 and 3 are equally weighted, but are each of less weight than factor 1. Factor 4 is of lesser weight than all other technical factors. These four technical factors are cumulatively equal to the cost factor."

Offerors that submitted a proposal under this solicitation before the release of this amendment, can resubmit a revised proposal before the revised due date above. Offerors that have submitted a proposal to this solicitation and do not desire to revise their proposal must provide a written acknowledgement by email stating that their company has seen this amendment and that they do not desire to revise their proposal. This email acknowledgement shall be sent to christl@onr.navy.mil and carrolv@onr.navy.mil.
